Items for discussion

1. Update on funding request for CCTV cameras. Council meeting to consider the request will take place tomorrow. Harry Mowbray will present the request.
2. Responses from Council staff following November Meeting.
  - No planned action to upgrade crossing by the school or to move the location of the 50 sign to beyond Taplin Road.
  - Footpath from Taplin to Good Street – Rob said it is programmed in the coming year. Kitty to ask Council for confirmation of timeframe
  - Still awaiting report from Council on implications for water management of 250 additional residential sections.
3. Proposed projects for submission for Long Term Plan commencing July1 2018  
Priorities pending report from Council on Wastewater upgrade options
  1. Bus shelter and pick up point for school students going to Hamilton
  2. Footpath/Cycleway to Hamilton
  3. Public Toilet
  4. Footpath from Matangi village to Matangi Hall.

Graham / All agreed
4. Matangi website – approval for start up and first year cost of up to \$130 with support ongoing if required.

Kitty/Catherine – Agreed
5. Matangi Community Committee A.G.M. date. – May pending information from Council
6. General Business  
Notification of meeting for those on Wastewater system on 12 April. Those concerned will be advised by letter.

Meeting closed 8.30 p.m.
